Hurrah! Stop Hotel Use for Negro Parley

IDAHO FALLS, May 6 — The annual convention of the Negro National Conference, which had been held in the Twin Falls Hotel, was canceled yesterday, as the hotel was not available.

Henry Wills, president of the Jaycees, said yesterday: "Today temporarily, the Negroes will be at the Hotel at 16th street and College, two blocks from the main Lincoln road shopping area."

Nearly 100 Negroes had nearly 100 anonymous threatening letters thrown at them and everything like you can imagine, and they are still coming in, down town, houses and man-ages of the hotel," said.

Wills said: "We're publicists" and on the defense of threats, "mostly from men."

Wills, a newspaper story ap-

peared yesterday, stating that he had been the first on Miami Beach

to be arrested, exclusively by Ne-

The empty hotel was to have been turned over today to some 140 delegates to the annual conven-

Big Storms in Dixie Region

By United Press

The weatherman tentatively promises some relief today to a southland battered by a week of terrible weather. At least 44 persons died and thousands became homeless from Texas to the east coast.

The Atlanta weather bureau said

"low" which hung over State for several days moved slowly north and was now located over

Tennessee.

Although storm clouds still hover over the south, there was little damage reported and the weather bureau said the weather was improving.

Five tornadoes whirled down on Mississippi and Tennessee yesterday, including one which caused extensive flooding through south Louisiana as damage estimates topped 22 million dollars.

Wind gusts up to 100 miles an hour accompanied the twister, which left sections of two hangers at the Knoxville, Tenn., municipal airport.

Four other tornadoes, torn up rural sections of Mississippi.

65 Evacuated

An estimated 650 persons have been evacuated from the Baton Rouge and Hammond areas as lashing rain sent the Amite river over its banks.

Winds up to 80 miles an hour were reported in New Orleans.

At Deweyville, Tex., volunteers

worked through the night to anchor levees against the rising Sabine river, only inches from the top of the dam. In some places the water was swirling around the ends of the dike and into the town.

Late Ogden Spur Defeats Cowboys 8-3; Kilburg Fans 12 Wrangler Batters

OGDEN, May 5 (AP)—Vernon Kilburg, who tied a Pioneer league strikeout record with 20 his last time out at Twin Falls, found the Magic Valley Cowboys an easy target again Monday night as he pitched the Ogden Reds to an 8-3 victory. Kilburg allowed four hits and fanned 12 in the seven and two-thirds innings he worked. A blaster on his pitching hand forced him to leave the game with two out in the eighth. He allowed Magic Valley single runs in the first and second innings and then pitched scoreless ball until bothered by the blaster.

Ogden's first baseman, Jerry McLeod, had a hot hitting attack with three hits in as many appearances. The Reds clouted a total of nine safeties, off two Cowboy pitchers. Monday night's total of 12 hits was the most registered against the Cowboys to 23 in 15 2/3 innings.

He worked eight innings at Twin Falls, which was his record, his record, totaling 20 batters.

Magic Valley third baseman, Hal Taylor has been a special target for the big Ogden righthander. Kilburg has struck out Taylor 12 times since he faced him Monday for the eighth straight time before he gave Taylor a walk in the fifth inning.

OGDEN, May 5 (AP)—The Great Falls Electricians scored a ninth inning run to a wild pitch Monday night to hand the Idaho Falls team a 10-9 win in the final game of the Pioneer League season.

The Sparkles had the score tied with the league leaders 4-4 when they went into the home half of the final inning.

Kilburg was safe on an error by the Sparkles, but Roy Brody forced him at second. Lou Roselli, hitting for Snyder, grounded one to John Hack at third. Hack pegged wild trying to get Brody at second, and Brody charged around to third and scored on a wild pitch by Bowlin.

The chapter decided Monday to study the possibility of clearing the channel at Dagger falls to aid salmon fishing. A committee was appointed to investigate and report on its findings.

In other business Monday the IOA set the third Tuesday in each month as the regular meeting date for the next meeting will be held June 16.

The group heard a report by Neil Collier concerning the big game between the two states on June 10 to 12 in the winter range condition for big-horn sheep and deer.

Howard Munson and K. R. Otto were named to head the chapter's new committee.

Hawley Hill, conservation officer, spoke on fishing in Big Wood river, making it clear that the river and diverse below the dam is a good place for fishing.

Refreshments were served at the end of the meeting but the scheduled movie was canceled.

Olson, Young Set June 19 As Fight Date

NEW YORK, May 5 (AP)—Bob Olson, San Francisco, and Paddy Conroy, Boston, agreed to meet June 19 in Madison Square Garden for the U. S. middleweight boxing championship. The winner probably will meet the European titleholder in a return bout.

It will be a 15-round bout.

Frank Jim Morris of the International Boxing club said he had the deal, but Conroy, who was with the Paddy Conroy, Boston, and Paddy Conroy, San Francisco, Young signed for the fight last week.

Each fighter will get 30 per cent of the gate, and 10 per cent of the earnings of the radio-television receipts for the Friday night fight.

Norris said he expected to complete a deal for radio-TV next week.

The fight will be held at least at \$10,000 for the air rights.

Rifle Shooters Finish Match

Oregon Bats Boom Against Vandals

MOSCOW, May 5 (UPI)—Oregon, the northern division conference base ball team, found its big bats here Monday to score a 10-2 victory and a 2-4 victory over Vandals.

The Ducks, who were held down by two losses to Washington State over the week-end, made their conference record a 10-2 wins and two losses with a surprising surge in the middle of the month.

Bascom in Tears After TKO Loss

MILWAUKEE, May 5 (UPI)—Wes Bascom, eighth-ranked light-heavyweight from St. Louis, fell to his knees, beat his head on the canvas and wept when he was knocked out in the ninth round Monday night, referee Ted Jamieson stopped his fight with Dan McCann and gave Bascom a several-round TKO. The fight was stopped for a 10th round.

The bout was so long after the fight was stopped that the time of the TKO couldn't be announced. Ed cut him in the 13th.

Electrics Give Idaho Falls Second Defeat

GREAT FALLS, May 5 (AP)—The Great Falls Electricians scored a ninth inning run to a wild pitch Monday night to hand the Idaho Falls team a 10-9 win and end June 18.

The contest will be spearheaded by Little Alton, fish committee chairwoman.

The contest will be open to all children in the fourth district and the fish may be taken from any of the local streams. But sportsmanship is the big thing in the contest, according to chapter president Ed Harper.

He said any youngster caught fishing illegally will be dismissed.

The chapter will begin with the opening of regular fishing season June 4 and end June 18.

The contest will be spearheaded by Little Alton, fish committee chairwoman.

The chapter decided Monday to study the possibility of clearing the channel at Dagger falls to aid salmon fishing. A committee was appointed to investigate and report on its findings.
